Greedy Hen is
the collaborative
works of Katherine
Brickman and
Kate Mitchell.

“We are storytellers, illustrators,
artists, collectors, bookmakers,
explorers and adventurers.”

Greedy Hen devise projects intent on creating images eluding to a playful black humour, unwritten fables, or subtle off-kilter sinister elements lurking amongst a kinder-esq beauty. They utilise various mediums preferring to let their ideas manifest in whatever way seems to be most appropriate at the time. Greedy Hen is a social sieve presenting the quirky nuances hidden in the everyday.
